Today, maintaining a safe and healthy work environment is extremely important. OSHA has become increasingly aggressive in establishing and enforcing safety and health regulations. Safety and health training is key to dealing with all of these issues. MARCOM's "Safety Meeting Kits"™ provide all of the items needed to promote and conduct a complete safety meeting. Each "Safety Meeting Kit"™ includes a Videotape or DVD, 5 Posters and 30 Employee Booklets...all designed to work together. Kits also have reproducible Scheduling and Attendance Forms and employee Quizzes. The kits' reasonable price makes them affordable for even a small facility or department.
